## Vancouver Coastal Health asks for your support of smoke-free bylaws

The Town of Gibsons and District of Sechelt are being asked to consider Enhanced Smoke-Free Bylaws that would include the following:

- Prohibit smoking on all hospitality patios;
- Prohibit smoking at all transit stops;
- Enhance the existing bylaw by increasing the buffer zone to 7.5 meters from doors, air intakes and windows;
- Prohibit smoking on beaches, parks and playgrounds;
- Prohibit smoking in public places where people gather including playing fields, outdoor or partly enclosed sport venues, stadiums and sports facilities;

**Subscribe**

**Past Issues**

- Include other smoked materials such as “weeds and other substances”, water pipes, hookahs, e-cigarettes and “other tobacco products”.

**Write, email, fax or call your councillors or mayor as soon as possible. Your contribution will make a difference.**
