One of our members, Michele Beaudry, volunteered to work on a float for the Sea Cavalcade Parade the latter part of July. She needs 3-4 volunteers and the loan of a flat bed truck to make this happen. This could be a fun project. If you're interested, please email Michele at: beaudrymichele@yahoo.com

Please let her know as soon as possible since the parade is not that far away. She already has an idea - just needs to put it in place with your help.

This could raise the visibility for the Sunshine Coast Clean Air Society and the good work we do.

Thank you.
